Subject:- Reduction in rate in respect of site No.36 in Block XII of Kumarapark West Extension allotted to Smt.P.Alamelammal.

---

I write to state that Smt.P. Alamelammal was allotted site No.36 ($\frac{80+70}{2}$ x 100') in Block XII of Kumarapark West Extension at the rate of Rs.12/- per Sq.Yd. on 24-3-1955. She has requested in her application dated 4-4-55 for reducing the rate of the site to Rs.3/- per Sq.Yd. on the following grounds:-

1. That the site consists of deep pits and slopes nearly 6 feet on the eastern side,
2. That a storm water drain runs by the side of the site,
3. There is no proper approach to the main road and a culvert will have to be constructed by her at a heavy cost.

The Engineer Officer of the Board has recommended to consider the question of giving reduction as the applicant has to do filling work before undertaking any construction on the site. The spot was inspected by the Members of the Board on 29-4-55 and the subject was discussed on 3-5-55. Having considered all aspects of the question the Board resolved:-

> "That the rate be reduced to Rs.6/- per Sq.Yd. as the site contains pits 3 to 4 feet below the road level and the South-east corner of the site is also 2 to 3 feet below the road level adjoining the Storm Water drain and the soil is sandy".

I request that approval of Government to the resolution of the Board may kindly be obtained and communicated.

Yours faithfully,

D.R. Chennarudraiya
